

PMRV Mission Committee

Vision Statement:

Joining together in God's mission; encountering Jesus Christ in covenant partnerships.

Mission Statement:

Serving congregations and individual members to be missional by:

1. Helping every disciple to have a calling in mission as Incarnational Witnesses.
2. Engaging and coordinating mission opportunities.
3. Resourcing and collaborating with congregations and within the Presbytery.

Core Values:

1. Receptive to the Spirit, guided by prayer, we humbly engage in and encourage partnerships locally, nationally and internationally within the context of the host's ministry.
2. The global Body of Christ benefits from the mutual support, encouragement and sharing of gifts that occurs when we participate in mission through collaborative efforts in our community and around the world.
3. We understand that mission is not just what we do, or who we are; it is how we live and that we are called to be involved in works of compassion, justice and proclamation.
4. Mission involves being sent out and returning home and as such it is about having qualitative transformational experiences, which help us grow as disciples and as missional people at home and abroad.
5. Sharing our stories with others is an important aspect of mission as it helps encourage others to answer our common call.
6. The Mission Committee seeks to fulfill the Presbytery's mission priorities as intentional stewards of the resources with which our Presbytery has been blessed.
