INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Stewardship of Resources Committee
Presbytery of Missouri River Valley
Omaha, NE

We have reviewed the accompanying statement of cash receipts and disbursements of Presbytery of Missouri River Valley (a nonprofit organization) as of December 31, 2019, and the related notes to the financial statement. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statement as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the cash basis of accounting; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statement for it to be in accordance with the cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statement in order for it to be in conformity with the cash basis of accounting.

Basis of Accounting

We draw attention to Note 2 of the financial statement, which describes the basis of accounting. The financial statement is prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

PRESBYTERY OF MISSOURI RIVER VALLEY

NOTES TO STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

For The Year Ended December 31, 2019

1. Nature of Business

Presbytery of Missouri River Valley (the Presbytery) was formed to conduct ministry and mission works for the Synod of Lakes and Prairies of the Presbyterian Church (U.S.A.). It serves as an intermediary body between local churches and the Synod of Lakes and Prairies of the Presbyterian Church (U.S.A.).

The Presbytery is supported primarily through contributions from individual member churches. Approximately 68% of the Presbytery's budgeted cash receipts for the year ended December 31, 2019 came from these member churches.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The accompanying financial statement has been prepared on the cash receipts and disbursements basis of accounting. Under that basis, the only asset recognized is cash, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized. Property improvements and equipment are expensed as costs are incurred and not capitalized and depreciated over their estimated useful lives. The statement of cash receipts and disbursements does not include certain transactions that would be included if Presbytery of Missouri River Valley prepared its financial statements on the accrual basis of accounting, in accordance with generally accepted accounting principles. Accordingly, the statements of cash receipts and disbursements are not intended to present financial position or results of operations in conformity with generally accepted accounting principles.

B. Income Tax Status

Presbytery of Missouri River Valley is exempt from income taxation pursuant to Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3) of the Internal Revenue Code. Accordingly, no income taxes are included in these financial statements.

C. Use of Estimates

The preparation of financial statements in conformity with the cash receipts and disbursements basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

7. Contingencies

The Presbyterian Church Investment and Loan Program granted funds to Missouri River Valley churches between the years 1914 and 1933. These old mortgage grants include language stating that no payment of principal or interest is due so long as the congregation remains a part of the PC (USA). If a congregation sells their building, ceases to exist or leave the denomination, the principal with interest is due prior to being dismissed. Currently there are 8 of these grants totaling \$51,413. These congregations remain in PC (USA) and Missouri Valley. Thus, no repayments of the mortgage grant, or any other action is required by Missouri River Valley Presbytery.

8. Subsequent Events

Subsequent events have been evaluated through October 15, 2020, the date that the financial statements were available for issue.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a global pandemic. While the quarantine, social distancing and other regulatory measures instituted or recommended in response to COVID-19 are expected to be temporary, the duration of the business disruptions, and related financial impact cannot be estimated at this time. The Presbytery is aware of changes in its operations as a result of COVID-19 but uncertain of the impact of those changes in its financial position, results or operations or cash flows. As a result, the Presbytery is unable to estimate the potential impact on operations as of the date of this filing.
