

Presbytery of Missouri River Valley Minimum Compensation for 2025

Presbytery's policy requires COM to recommend minimum compensation at 80% of the Median Effective Salary established by the Board of Pensions for the previous year. In 2025, the MES is \$70,000 which reflects a 4.1% increase from 2024. The following recommended figures are based on that figure.

For ministers in pastoral positions: Minimum Effective Salary (includes the items below) \$ 55,881

- Cash Salary
- Manse Value (if provided, which must be at least 30% of cash salary), and/or
- Housing and/or utility allowance

(NOTE: If Social Security offset – SECA allowance – is more than an employee's share, or other benefits such as a 403b or a section 125 plan are provided, those are included in the Effective Salary. Social Security [Self-employment tax] offset that is not more than an employee's share is not included in the effective salary.)

Also required: **Full family** medical, pension, disability, and death benefit coverage through the Board of Pensions or similar plan if the minister is a member of another denomination.
